A PROUD RECOGNITION
EXCELLENCE IN SOCIAL SERVICE AWARD - MSOSA 2024

[Click here to view more](#)

We are thrilled to announce the visionary **Managing Trustee of Cosmo Foundation**, has been bestowed with the prestigious **Excellence Award in Social Service by MSOSA 2024** as **Corporate Social Responsibility (CSR) leader**

Outshining **over 18,000 remarkable participants**, this accolade is a testament to her unwavering dedication and impactful contributions toward **empowering rural communities through education, environment, and empowerment initiatives**. This achievement inspires Cosmo Foundation to continue our journey of transforming lives and building a sustainable future.

EMPLOYEE ENGAGEMENT

Thank You

A heartfelt thanks to all our Cosmo First employees for making Joy of Giving Week unforgettable! Your generous **donations of 1000+ items impacted over 600+ lives**, spreading hope and happiness. Together, you've turned kindness into action, showcasing the power of collective compassion. We deeply appreciate your support in making a real difference!

Cosmo Foundation
Cosmo First Limited

Give a little, Change a lot.

DAAN UTASAV

We at Cosmo Foundation are celebrating the Joy of Giving by inviting you to join us in donation of unused, refurbished, well maintained items

OVERVIEW

As we step into the new year, all our centres have reopened after the Diwali break, starting with community-focused **home visits** to strengthen social rapport and foster deeper connections with students and their families. This month, Cosmo Foundation prioritised the professional growth of our teachers through **robust trainings**, empowering them with the skills and knowledge. It includes dialogue with IT expert from Microsoft, training on advance excel and revisiting vision, mission and objectives of Cosmo Foundation. It has helped us to set a goal for new academic session with vibrant energy and enthusiasm.

We organized a 32 hours course on English Fluency development for youth on virtual platform. It has upgraded language fluency of community based teachers and local youth.

Additionally, **EV Technician Course for underprivileged girls** at ISIE-India promoted women's Empowerment with education, skills and employability. We organized soft skill training on interview skills with these girls.

Along with it we had joyful celebration of **Children's Day** and organized awareness sessions on **Toilet Day**, **Constitution Day**, **Violence against women day**. These initiatives not only promote academic excellence but also widen exposure of students and teachers.

EDUCATION

New Academic Session: Opening Doors to Another Year of Knowledge

Cosmo Foundation kicked off the new academic session with enthusiasm and a renewed commitment to empowering both students and educators. The session began with a focus on setting clear academic goals, creating a positive learning environment, and introducing innovative teaching methods. To make the first day special, students were welcomed with chocolates and flowers, classrooms were beautifully decorated, and engaging discussions about their Diwali celebrations took place. This fresh start serves as a symbol of overcoming challenges, nurturing potential, and working towards a successful and fulfilling academic year ahead.

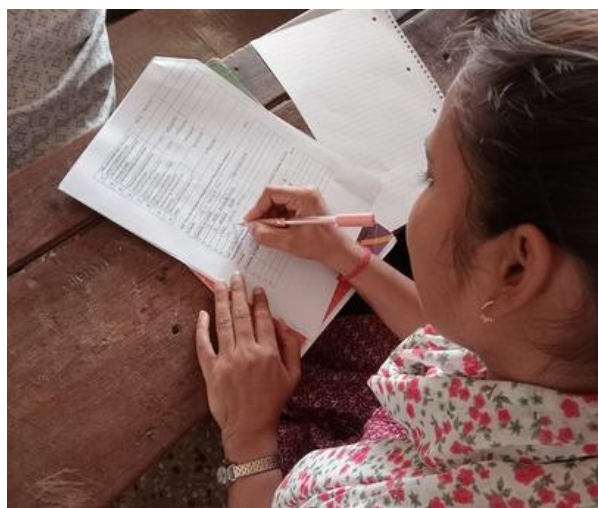

Strengthening Community Bonds: Elevating Education for All

After the Diwali vacation, Cosmo Foundation initiated a series of home visits across **29 villages, engaging with 797 household and over 1,431 community members**. The visits aimed to understand the socio-economic backgrounds of students and foster greater parental involvement in education. During these visits, Diwali wishes were shared, and the Cosmo English Tutor YouTube channel was introduced as a valuable learning means for both children and adults. This initiative not only strengthened community bonds but also reinforced the importance of education, while highlighting the Foundation's ongoing commitment to supporting and empowering local families.

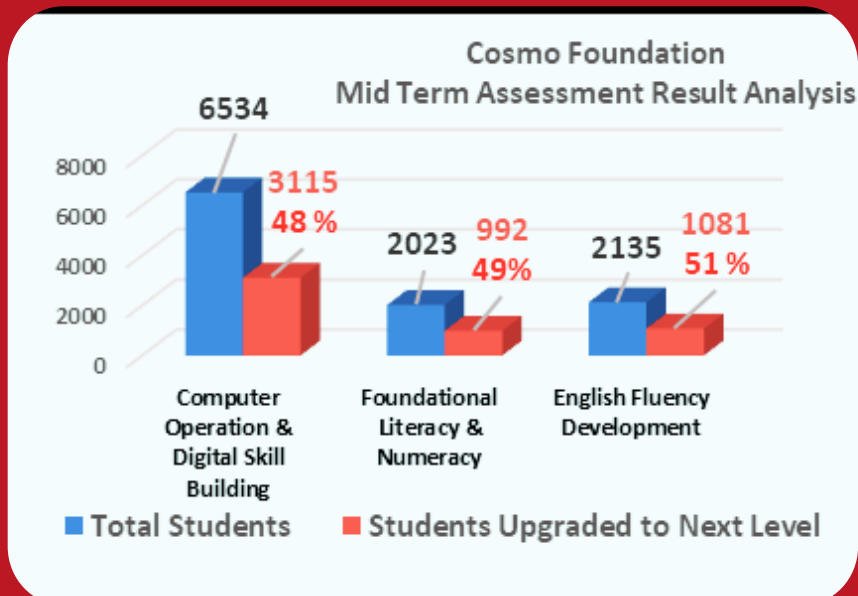

Pathways to Progress: Measuring Learning Outcomes

Cosmo Foundation successfully organized a Mid-term Assessment for the Foundational Literacy, Digital Skill Building, English Fluency Development Programs across both locations: Karjan and Chhatrapati Sambhajnagar. Over 10,000 students participated in this comprehensive mid term assesment, marking a significant step in measuring the progress and areas of improvement. This large-scale assessment underscores the foundation's commitment to enhancing the learning journey.

We are presenting here the snapshot of results. It shows that average 50% students were upgraded to next level. There is a detail analysis done with digital tools which helps us to plan focus area of subject knowledge and teachers training for next academic session

My brief journey as an Intern with Cosmo

“

My internship with the Cosmo Foundation has been a transformative experience, enhancing my professional skills in teaching English and computer literacy while deepening my understanding of community service. The support I received from mentors and resources like the Cosmo English Tutor- YouTube channel helped me overcome my initial struggles with English fluency, allowing me to deliver impactful lessons. This journey has taught me the value of teamwork, continuous learning, and creativity, while reinforcing my commitment to driving meaningful change in society.

Language Lift: Elevating English Learning and Mastery

Cosmo Foundation hosted a **32-hour virtual English Language Learning** and Practice Session during the Diwali vacation, engaging **over 60 participants, including teachers, youth, and Shalinis**. The sessions focused on improving functional grammar, mastering tenses, and practicing situational conversations in English, Gujarati, Hindi, and Marathi to boost fluency and confidence. Each class began with motivational story to inspire participants and to embrace learning with enthusiasm. This initiative was a significant step in empowering individuals with essential language skills, enhancing their ability to communicate effectively and express themselves confidently.

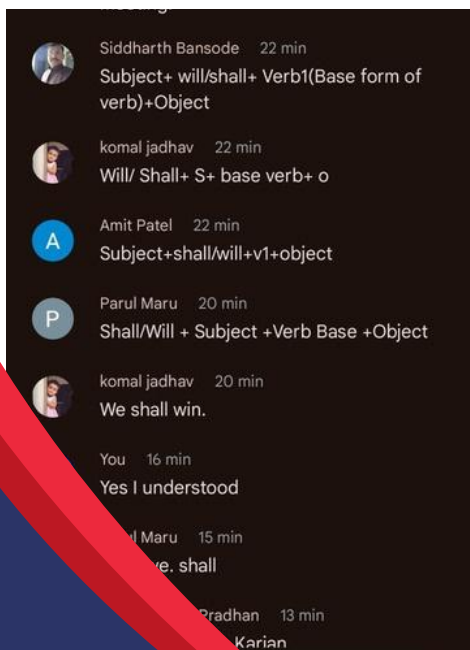

Thank you, Cosmo Foundation, for organizing the session on Tenses during the Diwali vacation. I learned simple new verbs and gained a better understanding of tenses. The session, led by Mrunalini Ma'am and Siddharth Sir, was engaging and helpful. Grateful for this opportunity to enhance my skills!

Rekha Patel, Balmitra, Village Metih, Karjan

A heartfelt thanks to Cosmo Foundation for organizing the enriching English Learning sessions led by Pravin Sir. The sessions on Tenses, sentence construction, and practical application were extremely valuable and have significantly improved my English Language skills. I am now confident in applying what I've learned to teach the children at my center and in my personal life. This opportunity has made my Diwali vacation truly productive!

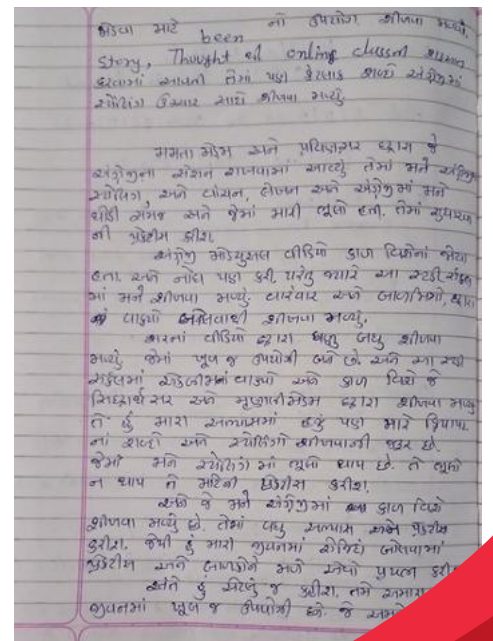

Hardik Patel, Computer Teacher- Cosmo Foundation, Karjan

CAPACITY BUILDING

Mastering the Tools: Training on Advanced Excel and PowerPoint

Cosmo Foundation organized In-house training for computer teachers on advanced excel and power point. Hardik and Amol, CF Seniors members conducted an impactful training for **40 teachers**, focusing on essential skills such as chart and sheet formatting, data validation, COUNTIF, slide basics, formatting slides, working with visuals, transitions and animations and time-saving shortcuts. This hands-on session boosted participants' proficiency, empowering them with practical tools to enhance data management and productivity. The training has equipped teachers to efficiently handle tasks, improving their overall work performance.

IT Intelligence Training for Teachers

Cosmo Foundation, invited an Expert Rushiraj Baxi, a Software Engineer at Microsoft, Hyderabad and organized a session titled "IT Intelligence with Microsoft Expert" aimed at equipping 50+ teachers with the latest insights into IT trends, AI tools, Competitive coding, and career planning in IT selection of right university, effective resume making, how to build work culture, mental focus,. The session offered participants valuable knowledge to enhance their technological skills and incorporate innovation into their teaching practices. He highlighted the significance of academic excellence, teamwork, and a disciplined approach to lifelong learning, inspiring both educators and youth to embrace technology's transformative power in shaping a brighter, more connected future in technological word.

Inspiring Innovative Teaching by Screening of Flim Divaswapna

Cosmo Foundation organized a motivational screening of the documentary Divaswapna, based on the groundbreaking work of renowned educationist Gijubhai Badheka. The film highlights a teacher's transformative journey in challenging traditional education methods, promoting joyful, burden-free learning, and nurturing curiosity in students. Through this screening, CF aimed to inspire teachers to rethink conventional practices, embrace creative teaching methods, and foster an engaging, curiosity-driven learning environment. Gijubhai's vision, documented in his book Divaswapna, emphasizes the shared responsibility of teachers and parents in empowering children. This initiative reinforces the importance of adopting innovative educational approaches to shape young minds effectively.

“

Study Circle with documentary, books, and tutorial, is the most impactful method CF uses for collective learning, It leads to dialogue, expands knowledge and builds concept with inspiration, it is the innovative and essential tool for HR development

Vidhi Parmar - MHRM, Faculty of Social Work, MSU Vadodara

”

Guiding the Path: Reaffirming CF's Vision and Mission

Cosmo Foundation hosted a vibrant get-together at a serene farm, bringing together new and existing members to align with CF's vision, mission, and programs. The engaging orientation session provided clarity on the Foundation's objectives, while fun games and a traditional Van Bhojan lunch promoted teamwork and camaraderie. This enriching event strengthened the team's commitment and motivation, inspiring everyone to contribute meaningfully to the Foundation's mission. Each individual teachers gave demo session of respective programs. Sr. English faculty took a fun based activities on general knowledge, shared his career journey with narrative story.

Assessment of Teachers: Evaluating Impact and Growth

Cosmo Foundation recently hosted a teacher assessment session at the Waluj Center, where 24 Balmitra and cluster coordinators participated. The session began with an Orientation of assessment tools, which fostered open discussions about the foundation's impact and encouraged participants to share their perspectives. We also worked through the CGVK paper, closely aligned with our syllabus, offering new insights into environmental and life skills education through thought-provoking, challenging questions. These assessments not only highlighted our strengths but also identified areas for growth, reinforcing our commitment to continuous improvement and excellence in education.

“

Assessment tool of Foundational Literacy paper provided an enriching learning experience to all Balmitra, as it was closely aligned with our CGVK syllabus. It not only deepened our knowledge of various topics but also introduced new ways of enquiry that will be valuable in our future CGVK teaching. The thought-provoking, environment-centred, and life-skill-related questions further enhanced our critical thinking and teaching approach, making the entire experience both enjoyable and educational.

EMPOWERMENT

Electrifying Careers: Interview Skill Training

Cosmo Foundation organized two month EV Technician Course, with 50 girls. with valuable skills for a growing industry. During this month CF organized 4 hrs training on Interview Skills, preparing students for future job opportunities in the electric vehicle sector. By providing hands-on knowledge and practical insights, the foundation aimed to equip these young women with the confidence and expertise needed to crack interview in this innovative field, paving the way for a sustainable and successful future.

From Struggles to Success: Anisha's Journey

Anisha Suradkar,
Auto EV Technician course
ISIE-India

“

I am Anisha Suradkar from Aurangabad. Growing up with financial struggles, I believed education could change my life. In September 2024, my journey took a turn when I enrolled in the Auto EV Technician course funded by Cosmo Foundation and organized by ISIE-India. This course gave me valuable skills and a chance to build a brighter future.

After completing the training, I secured a job at Bajaj Auto in Chh. Sambhajinagar with a starting salary of ₹15,000 per month becoming the sole breadwinner for my family. I am deeply grateful to Cosmo Foundation for empowering me with the skills and confidence to achieve this milestone. To all the girls out there—believe in your dreams, and success will follow!

”

UNITE to End Violence against Women

On the International Day for the Elimination of Violence against Women, Cosmo Foundation delivered a powerful pre-recorded session hosted by Mamta Baxi, aimed at educating youth and educators on gender equity, recognizing abuse, and fostering safety and respect for women. The session emphasized the crucial need to educate both women and men, especially boys, in recognizing, preventing, and standing against all forms of violence. By empowering women with knowledge of their rights and protections, we are working towards a culture of safety, respect, and equity for all. Violence against women is a societal issue, and together, we can say No to violence and YES to empowerment, justice, and safety for every woman

A Journey from Curiosity to Confidence: Kalpesh's Story.

I am deeply grateful to the Cosmo Foundation for shaping my future and empowering me to succeed. From 5th to 9th grade, I attended Computer classes of CF at my Government School, which transformed my life. These classes not only honed my technical skills but also boosted my confidence in communication, opening doors I never thought possible. Coming from a humble background, a first generation learner I was fascinated by technology but lacked access to resources. Cosmo Foundation bridged that gap, making complex concepts easy to grasp through interactive teaching, hands-on learning and making computer labs accessible. Their support ignited my passion for computer engineering and inspired me to dream big.

Winning Cosmo Computer award for academic excellence during my time with the Foundation was a pivotal moment. It symbolized my growth, and the belief they had in me. Today, I look back on those moments with immense gratitude, knowing they gave me the tools and confidence to pursue my dreams. Thank you, Cosmo Foundation, for being the catalyst in my journey.

Kalpesh Rohit

Trainee Computer cum English Teacher

Empowering Educators: Webinar on Robotics & Creative Toys

At Cosmo Foundation, we believe the future of education begins with empowered educators! In collaboration with Havi.co, we hosted an inspiring workshop on Robotics & Creativity in Education led by Mr. Prashant Mamtara. Over 50 educators came together to explore innovative, hands-on learning methods using Technical Components. Through engaging activities, participants delved into the concepts of self-exploration, curiosity, creativity, multiple dimensions of projects and future-ready education. Creativity is a highlight – a vibrant session where participants explored robotics and creative toys, making learning interactive, exciting, and future-focused! This session inspired educators to push boundaries, think out of box, create engaging experiences for their students, and champion a brighter, tech-driven future of education. The future is bright, and it begins with empowered teachers!

It was a wonderful experience conducting a webinar on "Robotics & Creativity in Education" with Cosmo Teachers. After the session, we held a Question & Answer segment, and when the initial link expired, almost all the teachers promptly rejoined using the new link. I deeply appreciate their enthusiasm, keen interest in education, and remarkable ability to quickly adapt and operate digital tools.

Mr. Prashant Mamtara
Founder & CEO - havi.co

Flush for Freshness: World Toilet Day

On 19th November 2024, on the occasion of World Toilet Day, Cosmo Foundation held awareness programs at Sambhoi Primary School and Z.P. Primary School Kagzipura, **engaging over 160+ students**. The sessions emphasized the importance of using and maintaining toilets, cleanliness at home and school, and the role of hygiene in health and well-being. Through interactive activities, videos, and pledges, students committed to adopting good sanitation practices, supported by the distribution of sanitation booklets. With active participation from students, teachers, and Cosmo Foundation representatives, the initiative inspired a collective commitment to a cleaner, healthier future.

From Seed to Tree: Insight from Agroforestry

At Cosmo Foundation, we're not just planting trees—we're cultivating a movement for greener, more sustainable communities. With **88% of farmers providing essential stick support to ensure plants grow stronger** and **58% embracing scientific intercropping methods like mango-supportive crops**, the impact is clear: together, we're transforming traditional agriculture into a beacon of sustainability.

That is how we, at Cosmo Foundation, are promoting scientific farming practices in close collaboration with farmers, who are nurtured and got sustainable a way of life.

HEALTH & HYGIENE

Raising Awareness: Health Challenges in Village Sambhoi

Cosmo Foundation has adopted a village Sambhoi in Karjan and facilitating various projects and marching towards modern village. As a part of this program we conducted a pre assessments on the health and hygiene status of children enrolled in Government primary School. The findings revealed are:-

Medical Issues	Dental Problems	Addicted to tobacco and junk food	Battling skin diseases	Untidy nails	Scalp and Hair Infections	Poor Eyesight
Percentage of Students	45%	44%	21%	39%	10%	6%

"Healthy habits shape brighter tomorrows"

Cosmo Foundation's commitment to improving health and hygiene starts with understanding the needs of every child

EVENTS

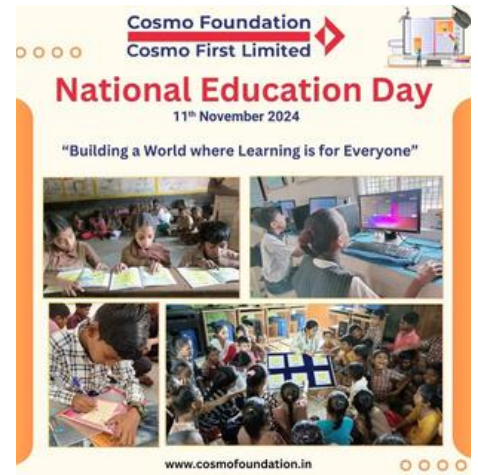

Sparkle of Innocence: Celebrating Children's Day

On 14th November 2024, Cosmo Foundation celebrated Children's Day by organizing vibrant Bal Melas in Karamadi, Karjan, and Assegaon, Gangapur, under the theme "Every Child's Right to Play, Learn, and Grow." With over **180+ children participating**, the fairs featured engaging activities like songs, puppet shows, crafts, and fun games, fostering creativity and joyful learning. Supported by local leaders, these events emphasized the importance of nurturing young minds through play, creativity, and educational experiences

A Vision for Quality Education: Honoring Maulana Azad's Legacy

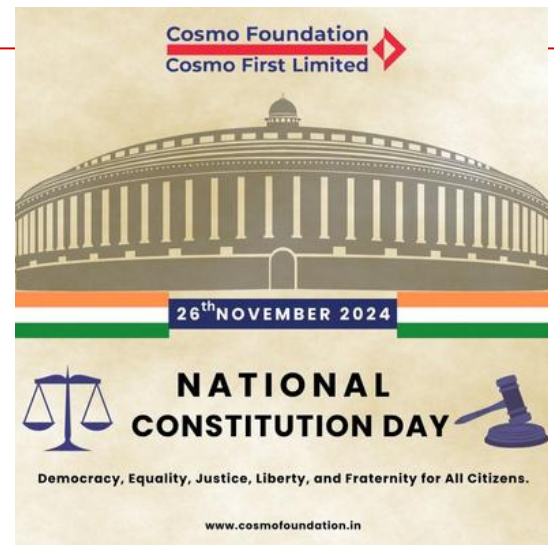

On National Education Day, 11th November 2024, Cosmo Foundation celebrated the legacy of Maulana Abul Kalam Azad, a visionary champion of education for all, with the theme "Empowering the Future through Quality Education." The Foundation continues to honour this legacy by driving initiatives that enhance language proficiency, digital literacy, mathematical skills, and personal growth, making education accessible to underprivileged and rural communities. Through these efforts, Cosmo Foundation strives to empower young minds and contribute to a brighter, more inclusive future.

“The purpose of education is to create a future where knowledge becomes a tool for progress, and progress becomes a pathway to equality.”

The Power of the Constitution: National Constitution Day

On November 26, we commemorated the adoption of the Indian Constitution with the theme: Democracy, Equality, Justice, Liberty, and Fraternity for All Citizens. COSMO Foundation hosted pre-recorded sessions in Karjan, Gujarat, and Gangapur, Maharashtra, where students learned about the core values of our Constitution, empowering them to understand their rights and responsibilities. MHRM placement students from M.S. University also engaged in discussions on children's rights, education, and the real-world applications of constitutional principles. This day reinforced our commitment to building an inclusive future where dignity, equality, and opportunity thrive for all citizens.
