Overview

April was a month of deep emotion and purposeful action for Cosmo Foundation. We began by paying tribute to the lives lost in the tragic terrorist attack at Pahalgam, J&K, reaffirming our commitment to peace and unity.

Amidst solemn remembrance, the month was filled with mapping learning outcomes and making special days impactful. On International English Language Day and World Book Day, we celebrated the power of language and the influence of Cosmo English Tutor. On World Health Day, we organized a Health Check-up and Awareness Camp at Z.P. School, Puri, promoting wellness among students.

We celebrated the legacy of Kagzipura's Paper Mill and the historic Kos Minar near Jasola on Heritage Day. Employees of Cosmo Foundation and Cosmo First Ltd did plantation at Biodiversity Hub, Chh. Sambhajinagar, to reaffirm our commitment to the planet.

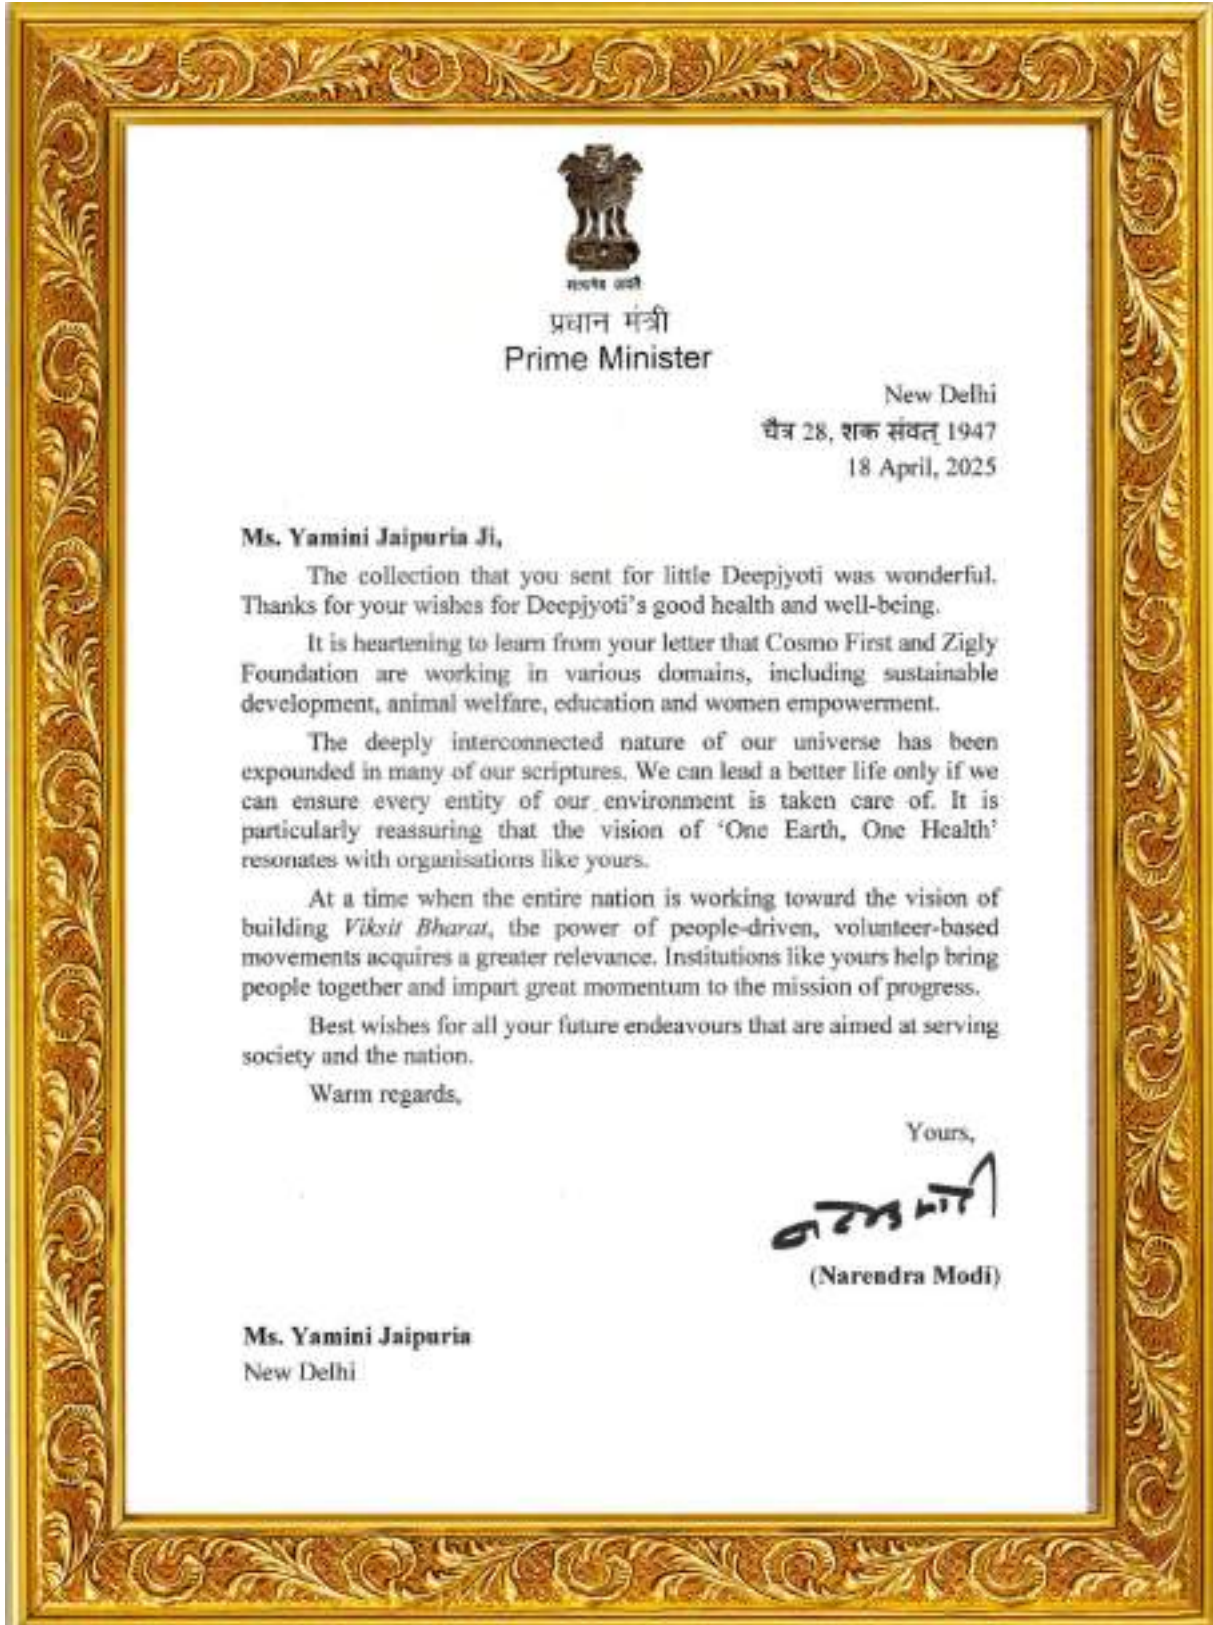

April also embraced unity through Iftar celebrations across locations, National Malaria Day, and deepened democratic values with National Panchayati Raj Day observances. We also focused on assessment results and prepared for the Summer Vacation Batches in Digital Skill Building and English Fluency. We also monitored agroforestry and high density plantation, and maintained green space. Across the schools we did monitoring and maintenance plan for sanitation blocks.

Thus we as a team continued to champion compassionate culture, and collective growth remembering the past, nurturing the present, and inspiring a better future.

Rising Strong: The Impact of Cosmo Foundation and USF

“

I am Anjali Mahesh Auti, daughter of a hardworking farmer and homemaker. My journey transformed when I joined the Udayan Shalini Fellowship (USF) in 10th grade, supported by Cosmo Foundation. USF became more than financial aid—it offered mentorship, leadership training, and lifelong support.

With their encouragement, I pursued Diploma in IT and am now completing my degree course at the Government College of Engineering, Chh. Sambhajinagar, while working as an SQL Developer at Yardi Software.

Through every challenge, USF built my confidence, strengthened my skills, and taught me to dream bigger. Today, I stand empowered and committed to uplifting others, just as USF and Cosmo Foundation uplifted me. Dreams, when nurtured with the right guidance, turn into inspiring realities!
