"Insights and Inspiration"

Statement by Ms. Yamini Jaipuria, Managing Trustee, Cosmo Foundation

“

At Cosmo Foundation, we firmly believe that women are the cornerstone of a thriving society. Empowering women through skill development, livelihood support, entrepreneurship, and employability skills is not just a mission for us; it is a commitment to unlocking their immense potential and creating sustainable change in communities.

The stories of countless women who have overcome challenges and achieved self-reliance through our programs inspire us every day. They are a testament to the fact that when women succeed, society prospers.

As we move forward, we are dedicated to broadening our reach, deepening our impact, and building an ecosystem where women feel empowered to dream, lead, and excel. Together, let us continue to champion the cause of women empowerment and create a brighter, more inclusive future. ”

Thank You
